

Welcome in RockSea

(To be able to have access to all contents of this side, we recommend to use the Microsoft Internet Explorer) RockSea is a resort for lovers of

simplicity, who can none less appreciate the availability of electricity, tidy shared bathrooms and a diverse and delicious menu.

Owned and operated by a German family, it is the most quiet and least crowded camp in South Sinai with just 20 straw huts and wooden bungalows spread over a vast 400 m stretch of rocky cliffs and coral beach.

RockSea is open for all guests, with its various offers; it creates a lovely memory of your incredible stay in a peaceful atmosphere. For any questions or reservation request please contact us by email on info@rocksea.net Yours, RockSea-Team

JOB OFFER:

- Volunteer work Are you young, or a little older, interested in other cultures and do you have interest and time to collect new experiences in another country? Then maybe volunteer work at the eastcoast of Sinai in the RockSea camp is the right thing for you. We are looking constantly for people, who would like to work and live in our camp for free accomodation and food. Volunteers who decree over special craft capabilities or talents are especially welcome. But we also need other workers for kitchen, restaurante and in other general areas. Your daily working time lies by approximately four hours a day. The least condition is a basic knowledge of the english language to secure the communication with the guests and the staff. In case you should be interested in becoming our next volunteer (min. 1 month, max. 3 months) or if you should have any more questions, please contact us. We are looking forward to hear from you.

- Placekeeper and/or technical Assistant
- We are looking in longterm for a experienced allrounder for overall maintainance. For example in the fields of plumbing, electric, cars and other handcraft work.

-
We offer a local salery, free food and accomodation and a magnificent working area in an familiar atmosphere. If you are interested feel free to contact us by email with a tabelar CV.
